CIRCULAR NO: 22/2009

UFU of WA Bush Fire Relief
Fund Disbursement

Attention All Members:

The Union is currently working through the legal issues in respect of 'Deductible Gift Recipient Status' for the fund with Gibson and Gibson. An application to the Australian Tax Office is being prepared so that the Union can issue receipts to all donors of the fund for tax purposes.

The fund has raised over \$34,000.00 and all donations raised will be delivered directly to 'Career and Volunteer Firefighters' affected by the Victorian Bush Fires.

We are seeking advice from the National Office on the most appropriate manner through which the funds can be disbursed.

The Union wishes to express its sincere thanks to all donors for their kind donation.

Strength In Unity,

Dave Bowers
Secretary
