

## **PAINT JOB COMING UP SOON ??**

Then why not call in and see the staff at Johns Building Supplies for that friendly old fashioned “one on one” personalised service.

Experienced paint sales consultants are ready to answer any questions, advise on any problems and recommend economical ways of decorating your home or business with quality Australian made **WATTYL** paints. A free colour matching service is also available.

We also sell an excellent range of timber finishes for joinery and decking.

Also in stock is a comprehensive range of painters hardware at very competitive prices.

In fact we are a “one stop shop” and carry everything you might need in your home renovation.

Just present your Union Membership card to receive great “Trade” prices on your paint and painters hardware and “Builders” prices on all other hardware lines.
