

## **UNITED FIREFIGHTERS UNION OF AUSTRALIA WEST AUSTRALIA BRANCH**

### **Policy**

President: Kevin Jolly  
Secretary: Graeme Geer

14th October 2009

#### **Policy 4 : Country Relieving**

Country Stations have inbuilt relieving and will only call for reliefs if they cannot maintain staffing.

##### **Station Officers:**

When Station staffing levels fall below 75% of normal. ( i.e. Currently 5 SOs, when SOs numbers fall below 4). A relief should be requested for any period in excess of one week.

##### **Firefighters:**

When Station staffing levels fall below 65% of normal. ( i.e. Currently 15, when numbers fall below 10). A relief should be requested for any period in excess of one week.

##### **Area Managers, District Managers & Superintendents:**

Relief personnel should be organised for any period of leave in excess of one week.

All Relievers must have all the competencies required to meet all the responses by the Station seeking relief personnel.

All Relievers are to be included in all Station duties and rosters, including overtime.
