Policy 9: Dispute Policy

When an issue arises between the Authority and members, the Authority is to be advised we are in dispute and the dispute resolution process of the EBA is to be used to resolve the issue.

Members complying with UFU resolutions should be absolved of any ramifications in respect of that, or any, UFU resolutions.

Further: individuals are not to be targeted for adhering to UFU policy.

More over, if any member is singled out or targeted as a result of any UFU policy Industrial action will be taken.
